

The Journal OF THE *House of Representatives*

FIRST SPECIAL SESSION—"A" of 2016-2018

Number 3

Friday, June 9, 2017

The House was called to order by the Speaker at 10:30 a.m.

Prayer

The following prayer was offered by the Honorable George R. Moraitis Jr.:

Lord, we love You, we praise You, we worship You, for You are worthy of all honor and praise. And we thank You for the blessing of being Your children and to be living in a nation and a state whose motto is "In God We Trust" and for the freedoms that we enjoy. We also thank You for the men and women You have ordained to lead this nation and our state, as well as the men and women You have appointed to protect our nation and communities, whether it be to the military or as a first responder. We come to You echoing the prayer of Solomon, that You would give us wisdom and knowledge as we deliberate today during this special session. We pray also that You would maintain the unity of the spirit, which You have given us, that we may be victorious in our deliberations as we seek to honor You, Lord, and the people of this great state. I pray all these things, Lord, in the name of Jesus Christ. Amen.

Recessed

The House recessed at 11:38 p.m., to reconvene upon call of the Chair.

Reconvened

The House was called to order by the Speaker at 3:17 p.m. A quorum was present [Session Vote Sequence: 490].

Proclamation

The following proclamation was read by the Clerk of the House:

STATE OF FLORIDA
EXECUTIVE OFFICE OF THE GOVERNOR
TALLAHASSEE

TO THE HONORABLE MEMBERS OF THE FLORIDA SENATE AND
HOUSE OF REPRESENTATIVES

WHEREAS, Lake Okeechobee is Florida's largest lake, supporting valuable commercial and sport fisheries, providing flood control, and acting as a reservoir for much of south Florida; and

WHEREAS, the Herbert Hoover Dike surrounding Lake Okeechobee has numerous water control structures to provide flood protection, navigation, recreation, freshwater for the communities of south Florida, water for agriculture, prevention of saltwater intrusion, and enhancement of environmental resources; and

WHEREAS, for more than thirty years, the U.S. Army Corps of Engineers has documented that areas of the dike are prone to water seepage and stability problems; and

WHEREAS, on many occasions, the dike's stability problems have led the U.S. Army Corps of Engineers to drain lake water west into the Caloosahatchee River and east into the St. Lucie River to ease the strain on the dike, resulting in toxic algae blooms, the killing of coastal fishing grounds, and environmental damage to estuaries; and

WHEREAS, the risk of a dike failure placing in jeopardy the lives and property of Floridians is unacceptable, requiring the U.S. Army Corps of Engineers to continue the release of lake water despite its environmental impacts to ensure the continued safety of the region's residents, underscoring the need for repairs to the dike; and

WHEREAS, in partnership with the federal government; the State of Florida has a critical interest in upgrading and fortifying the Herbert Hoover Dike surrounding Lake Okeechobee by 2022; and

WHEREAS, earlier this year, I called on the Legislature to provide additional state funding for repairs to the Herbert Hoover Dike; and

WHEREAS, Florida's postsecondary institutions also provide value to Florida students and families; and

WHEREAS, I have called a Special Session commencing at 9:00 a.m. on June 7, 2017, and extending through 6:00 p.m. on June 9, 2017; and

WHEREAS, I have expanded the call of this Special Session to include legislation relating to the medical use of marijuana; and

WHEREAS, it is prudent to further expand the call for this Special Session;

NOW, THEREFORE, I, Rick Scott, Governor of the State of Florida, by virtue of the power and authority vested in me by Article III, Section 3(c)(1), Florida Constitution, do hereby proclaim as follows:

The call to the Legislature of the State of Florida is expanded for the sole purpose of considering the following:

- A. Legislation relating to Lake Okeechobee's Herbert Hoover Dike
- B. Legislation relating to higher education funding

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed to this Proclamation expanding the call to the Legislature in Special Session at the Capitol, this 9th day of June, 2017.

RICK SCOTT

Lee Moffitt Cancer Center and Research Institute, Inc.; providing a purpose for the coalition; establishing the Medical Marijuana Research and Education Board to direct the operations of the coalition; providing for the appointment of board members; providing for terms of office, reimbursement for certain expenses, and meetings of the board; authorizing the board to appoint a coalition director; prescribing the duties of the coalition director; requiring the board to advise specified entities and officials regarding medical marijuana research and education in this state; requiring the board to annually adopt a Medical Marijuana Research and Education Plan; providing requirements for the plan; requiring the board to issue an annual report to the Governor and the Legislature by a specified date; requiring the Department of

Health to submit reports to the board containing specified data; specifying responsibilities of the H. Lee Moffitt Cancer Center and Research Institute, Inc.; amending s. 1004.441, F.S.; revising definition; amending s. 1006.062, F.S.; requiring district school boards to adopt policies and procedures for access to medical marijuana by qualified patients who are students; providing emergency rulemaking authority; providing for venue for a cause of action against the department; providing for defense against certain causes of action; directing the Department of Law Enforcement to develop training for law enforcement officers and agencies; amending s. 385.212, F.S.; renaming the department's Office of Compassionate Use; providing severability; providing a directive to the Division of Law Revision and Information; providing appropriations; providing an effective date.

—was read the first and second time by title.

Representative Rodrigues offered the following:

(Amendment Bar Code: 370451)

Amendment 1—Remove lines 687-694

Rep. Rodrigues moved the adoption of the amendment, which was adopted.

Representative Rodrigues offered the following:

(Amendment Bar Code: 079013)

Amendment 2—Remove lines 908-911

Rep. Rodrigues moved the adoption of the amendment, which was adopted.

Representative Rodrigues offered the following:

(Amendment Bar Code: 545297)

Amendment 3—Remove lines 1050-1058 and insert:

9. Within 12 months after licensure, a medical marijuana treatment center must demonstrate to the department that all of its processing facilities have passed a Food Safety Good Manufacturing Practices, such as Global Food Safety Initiative or equivalent, inspection by a nationally accredited certifying body. A medical marijuana treatment center must immediately stop processing at any facility which fails to pass this inspection until it demonstrates to the department that such facility has met this requirement.

Rep. Rodrigues moved the adoption of the amendment, which was adopted.

Representative Jenne offered the following:

(Amendment Bar Code: 754013)

Amendment 4—Remove lines 1445-1491 and insert:

(1) PREEMPTION.—

(a) Regulation of cultivation, processing, and delivery of marijuana by medical marijuana treatment centers is preempted to the state except as provided in this subsection.

(b) A municipality may determine by ordinance the criteria for the number and location of, and other permitting requirements that do not conflict with state law or department rule for, dispensing facilities of medical marijuana treatment centers located within its municipal boundaries, or ban such dispensing facilities. A county may determine by ordinance the criteria for the number, location, and other permitting requirements that do not conflict with state law or department rule for all dispensing facilities of medical marijuana treatment centers located within the unincorporated areas of that

county, or ban such dispensing facilities. If a county or municipality passes an ordinance that limits the number of dispensing facilities they may not accept applications for those facilities until November 1, 2017.

(c) A municipality or county that does not ban medical marijuana treatment center dispensing facilities must permit at least two separately licensed medical marijuana treatment centers to locate dispensing facilities within that municipality or unincorporated areas of that county.

(d) A county or municipality may not enact ordinances for determining the location of dispensing facilities which are more restrictive than its ordinances determining the locations for pharmacies licensed under chapter 465; however, a county or municipality may enact minimum required distances between dispensing facilities.

(e) A medical marijuana treatment center dispensing facility may not be located within 500 feet of real property that compromises of a public or private elementary school, middle school, or secondary school unless the county or municipality approves the location through a formal proceeding open to the public at which the county or municipality determines that the location promotes the public health, safety, general welfare of the community.

(f) A municipality or county may not charge a medical marijuana treatment center a license or permit fee in an amount greater than the fee charged by such municipality or county to pharmacies licensed under chapter 465.

(g) This subsection does not prohibit any local jurisdiction from ensuring medical marijuana treatment center facilities comply with the Florida Building Code, the Florida Fire Prevention Code, or any local amendments to the Florida Building Code or the Florida Fire Prevention Code.

(h) A dispensing facility location approved by a municipality or county pursuant to former s. 381.986(8)(b), Florida Statutes 2016, is not subject to the requirements of this section.

Rep. Jenne moved the adoption of the amendment. Subsequently, **Amendment 4** was withdrawn.

On motion by Rep. Rodrigues, the rules were waived and **SB 8-A** was read the third time by title. On passage, the vote was:

Section 15. Section 288.101, Florida Statutes, is created to read:

288.101 Florida Job Growth Grant Fund.—

(1) The Florida Job Growth Grant Fund is created within the department to promote economic opportunity by improving public infrastructure and enhancing workforce training. The Florida Job Growth Grant Fund may not be used for the exclusive benefit of any single company, corporation, or business entity.

(2) The department and Enterprise Florida, Inc., may identify projects, solicit proposals, and make funding recommendations to the Governor, who is authorized to approve:

(a) State or local public infrastructure projects to promote economic recovery in specific regions of the state, economic diversification, or economic enhancement in a targeted industry.

(b) Workforce training grants to support programs at state colleges and state technical centers that provide participants with transferable, sustainable workforce skills applicable to more than a single employer, and for equipment associated with these programs. The department shall work with CareerSource Florida to ensure programs are offered to the public based on criteria established by the state college or state technical center and do not exclude applicants who are unemployed or underemployed.

(3) For purposes of this section:

(a) "Infrastructure" means any fixed capital expenditure or fixed capital costs associated with the construction, reconstruction, or improvement of facilities that have a life expectancy of 5 or more years and any land

acquisition, land improvement, design, and engineering costs related thereto. Facilities in this category include technical structures such as roads, bridges, tunnels, water supply, sewers, electrical grids, and telecommunications facilities.

(b) "Public infrastructure" means infrastructure that is owned by the public, and is for public use or predominately benefits the public. If public infrastructure is leased or sold, it must be leased or sold at fair market rates or value.

(c) "Targeted industry" means any industry identified in the most recent list provided to the Governor, the President of the Senate, and the Speaker of the House of Representatives in accordance with s. 288.106(q).

(4) The department shall administer contracts for projects approved by the Governor and funded pursuant to this section.

all state appropriations to the corporation and exclude taxes derived pursuant to s. 125.0104.

(b) For purposes of calculating the required one-to-one match, the corporation shall receive matching private contributions in one of four private match categories. The corporation shall maintain documentation of such categorized contributions on file and make such documentation available for inspection upon reasonable notice during its regular business hours. Contribution details shall be included in the quarterly reports required under subsection (8). The private match categories are:

1. Direct cash contributions from private sources, which include, but are not limited to, cash derived from strategic alliances, contributions of stocks and bonds, and partnership contributions.

2. Fees for services, which include, but are not limited to, event participation, research, and brochure placement and transparencies.

3. Cooperative advertising, which is limited to partner expenditures for paid media placement, partner expenditures for collateral material distribution, and the actual market value of contributed productions, air time, and print space.

4. In-kind contributions, which is limited to the actual market value of promotional contributions of partner-supplied benefits to target audiences and the actual market value of nonpartner-supplied air time or print space contributed for the broadcasting or printing of such promotions, which would otherwise require tourist promotion expenditures by the corporation for advertising, air travel, rental car fees, hotel rooms, RV or campsite space rental, on-site guest services, and admission tickets. The net value of air time or print space, if any, shall be deemed to be the actual market value of the air time or print space, based on an average of actual unit prices paid contemporaneously for comparable times or spaces, less the value of increased ratings or other benefits realized by the media outlet as a result of the promotion.

Contributions from a government entity or from an entity that received more than 50 percent of its revenue in the previous fiscal year from public sources, including revenue derived from taxes, other than taxes collected pursuant to s. 125.0104, from fees, or from other government revenues, are not considered
